KAZAKHSTANI OILFIELD SERVICES COMPANIES WENT TO OTC-2019 IN SEARCH OF NEW TECHNOLOGICAL SOLUTIONS

The world’s largest exhibition and conference OTC-2019 being held for the 50th time this year, started in the United States, in the city of Houston. The delegation of Kazakhstan consisting of 15 local oilfield services companies went to the United States in pursuit of ultra-new IT solutions and partners. The trip was organized by Strategic Partnership Development Council (Petrocouncil), established under the auspices of KazEnergy Association and NCE Atameken, together with the U.S. Embassy in Kazakhstan to implement a plan for

local content development in oil and gas projects of the country. Thanks to the established cooperation at the exhibition-conference OTC 2019, the Kazakhstani side will provide technology transfer and exchange of professional skills, which is currently necessary for local companies.
