

Association Membership Terms and Conditions

Membership in the Association is open to legal entities, unions, associations, public organizations, foundations, and other non-profit or commercial organizations whose activities align with the goals and objectives of the Association.

Admission of new members is subject to approval by the General Assembly of Members of the Association, based on a written application addressed to the Chairman of the Association and upon payment of the entrance fee (Clause 14 of the Association Charter).

I. Required Documents for Membership Application

To apply for membership of the Association, the following documents must be submitted:

1. A written application from the legal entity addressed to the Chairman of the Association (template attached).
2. Proof of payment of the entrance fee, which amounts to 100,000 (one hundred thousand) tenge.
3. A copy of the Charter (Articles of Association) of the legal entity.
4. A brief description of the organization's activities (preferably in both Russian and English).
5. A copy of the certificate of state registration (or re-registration) of the legal entity.

II. Sample Application Letter

**To the Chairman
of the KAZENERGY Association**

_____ (*name of the legal entity*) hereby requests admission as a member of the Kazakhstan Association of Oil, Gas and Energy Complex Organizations "KAZENERGY".

We hereby confirm that all necessary corporate approvals required under applicable legislation, as well as the Charter and internal documents of _____ (*name of the legal entity*), have been duly obtained for the purpose of joining the Association.
