## PUBLIC HEARINGS ON THE DRAFT LAW ON INTRODUCING AMENDMENTS AND ADDITIONS TO SOME LABOR LAWS

One of the activities of the KAZENERGY Association in the direction of human capital development is active participation of the Association and its member companies in the improvement of legal regulation in the field of labour law. The Working Group on the analysis of law enforcement practice under the Ministry of Labor and Social Protection of Population of the Republic of Kazakhstan has been working for almost two years on the draft law on amendments and additions to the labor legislation. In 2018-2019 the Working Group held 20 meetings.

The following stages of legislative work are being currently implemented. One of them is public discussion of the draft law. On March 5, 2019, Public Hearings on two draft laws were held: "On introducing amendments and additions to some labour laws" and "On introducing amendments and additions to some legislative acts of the Republic of Kazakhstan on regulation of migration processes". Public Hearings were held in the Mazhilis of the Parliament of the Republic of Kazakhstan with the participation of deputies, heads of state bodies, employers' associations, trade unions and scientific experts. After the presentation of the main provisions of the draft laws by the Vice-Minister of Labor and Social Protection of the Population of the Republic of Kazakhstan, Zhakupova S. V., and Chairman of the Labor, Social Protection and Migration Committee of the Ministry of La-

bor and Social Protection of Population of the Republic of Kazakhstan, Sarbasov A. A., the participants of public hearings posed some questions to the representatives of the authorized body for labor and voiced proposals to address gaps and conflicts of labor and migration legislation.

On March 26 of this year, the KAZENERGY Association and representatives of the Association member companies took part in the extended meeting of the Committee of social sphere and social partnership on labor market competitiveness issues in the National "Atameken" Chamber of Entrepreneurs of the Republic of Kazakhstan. The meeting of the Committee raised several topical issues for social sphere regulation, in particular, the draft law "On introducing amendments and additions to some labor laws", safety and labor protection issues. Experts also made proposals on the formation of state policy in the field of labor and development of horizontal ties at the local level.
